

# Steph Curry

Futuristic

I been balling all my life (oh, I been balling all my life)  
I been balling all my life, yeah  
I been balling all my life (oh, I been balling all my life)  
I been balling all my life, yeah  
You can call me, I feel like

Steph, Steph Curry, Steph Curry  
Call me Steph, Steph Curry, Steph Curry  
Call me Steph, Steph Curry, Steph Curry  
Call me Steph, Steph Curry, Steph Curry, sheesh

Yo, I'm balling, swish  
Got a team of shooters, homie, you know we don't miss  
Daddy was a baller, always knew I'd be a baller too  
Both went pro from living dreams, that's something they don't often do  
Out in Cali, Golden State  
I'm eating, I'm so hungry, you can't hold the plate  
Young nigga killing shit, you know them names are gonna hate  
The smallest nigga in my city but doing the biggest thangs  
Steph Curry with the shot, boy, I'm a motherfucking product  
I come through in the clutch, nigga, can't nobody stop him  
Allstar better watch him, if they in my way then I drop them  
Who you know they got that's popping?  
Everybody know there's no other option  
Pass me the rock cause you know that I got it, sheesh

I'm out here, the stroke is too smooth  
I do this, what the fuck do you do?  
If it's a contest, you know Futuristic in first place  
You catch two L's like Cool J  
You shouldn't have even tried in the first place  
If it's a close game, that's the worst case  
Cause I show out when I go out  
WTF Gang for the blowout  
Like Pauly D's here when he grow it out  
Drinking too much, I need to slow down  
Not an old town, with a hoes clown  
If you ain't got money, well, I got money  
Cause lately things been sold out  
I'm balling, that's balling  
Oh nah, fuck do you call it?  
I'm ghosting to the finish  
Now when I'm winning, I just be stalling  
Flow appaling, I'm a go all in  
She on my nuts, I'm a hit her with the almonds  
Got them all falling, hit them with the crosses  
Awesome, young nigga and I stay saucing, sheesh  
Long hair with a bandana and a crazy pick  
Retro shit with my joggers on  
And a sweater that came from eighty-six  
You get eighty-six if I say the word  
I'm the shit, oh, you ain't seen a turd?  
Don't mind if I do repeat my verse  
I got millions of plays, this easy work, I'm balling
