Married to a saint, I ain't messin' wit groupies (Oh)
Healed from all my traumas, my life is a movie tho
I only speak the truth when I get in the studio, they say

I'ma leave the switch up

I ain't never goin' back, this time, I'ma leave the switch up

Gave away the gear and the ego, it's beautiful

It's already done, that's why I don't ever got doubt
Do it 'cause I'm chose until the day that I clock out
I'm a smooth operator, ain't got doppelgangers
Only one that's like me, homie, high key you a hater
