

# Why You Hatin'

Futuristic

Yeah, I get money like it's going out of style  
You should know the hate don't pay the bills  
So you should tone it down  
Roll your sound  
People talking and they throwing in the towel  
I'm a cross-country runner, I'ma go the extra mile  
And my style ain't free so I never freestyle  
Try'na keep the peace, if it's beef, then I mean now  
Peace out, know a couple G's, pull a piece out  
Talk is cheap  
Never talk to me, but sending Tweets out?  
Watch your mouth  
Lil' God, I'm a killer with the flow  
I'm a clept on, stepped through and stealing people's show  
So don't book me for an open, no you'll never let it go  
I got people mad at me from what I did four years ago  
Here we go again, I'm goin' in and that's the word  
Since 2010, that boy is sick, get 'em a cure  
I'm getting cheese, give 'em a curd, that boy a bird  
I lead the pack, I got a herd, you insecure  
I ain't tripping 'bout shit unless I'm tripping on chips  
I'm just sippin' then I'm dippin' like I'm nibblin' on chips  
I ain't worry 'bout the chick  
Unless it's chicken with the grits  
I don't never take a piss unless I cop another crib

Why you hatin'? Why you hatin'?  
Why you hatin'? Why you hatin'?  
Why you hating on me 'cause I'm doing good?  
Put the focus on you, think you probably should  
Why you hating on me 'cause I'm doing good?  
Why you hatin'? Why you hatin'?  
Why you hatin'? Why you hatin'?  
Why you hating on me 'cause I keep it real?  
Making millions, y'all don't need a deal  
Why you hating on me? That don't pay the bills

I hear the envy when they talking to me  
Now they said my life is easy, how hard can it be?  
'Cause I keep a pretty bad one walking with me  
It's why my exes in their eyes like a cars figurine  
I just tell that bitch "No mas"  
That her man' imposter  
You wish loyal, kill you secretly  
He work for the Messiah  
Homie, do not speak to me, I know you are the opps  
Though you filming me and running like an episode of Cops  
So I cannot be helping you  
Elevate your altitude  
She just want your money so she told you that she fell for you  
Put her on a jet in Feta, I just gave a Delta fool  
'Cause so many people hit that pussy, it got Yelp reviews  
I don't care, told 'em I don't care  
On a flight, I just made a couple thousand in the air  
All my income passive's on me, chillin' my career  
I can teach you something, get a chair

Why you hatin'? Why you hatin'?  
Why you hatin'? Why you hatin'?

Put the focus on you, think you probably should
