

WORK

Futuristic

Work
Put in the work
Work
You gotta work
Work
Put in the work
Work
You gotta work
You gotta
Lay it down
Stretch it out
Send it up
Take it back
Learn from that
Make it jump
Lay it down
Stretch it out
Send it up
Take it back
Learn from that
U gotta work

U gotta work
The oxygen mask dropped then grab it first
U ain't good to no one if u ain't good to yourself
Can't blame anyone else not even if it hurts you better
Half in half out never (work)
No faith all doubt never (work)
Get tough then quit that don't (work)
Get mad talk shhhh nah I rather

Work
Put in the work
Work
You gotta work
Work
Put in the work
Work
You gotta work
You gotta
Lay it down
Stretch it out
Send it up
Take it back
Learn from that
Make it jump
Lay it down
Stretch it out
Send it up
Take it back
Learn from that
U gotta work

Accountability check
I be lookin' in the mirror know I'm givin' my best
I ain't stressin' for a second cuz I know that I'm blessed
I ain't never movin' desperate cuz I know I need rest so I can (work)

10,000 times 2 put it in the craft never put it on you
Doin' simple math undefeated wit the stats
Needed pats on my back everytime I made moves from (work)
This my story
I'm born to win the shot has been horry
Gettin' to the chip so they call me corny
Salty ain't ya beef been gettin' boring
Snoring please wake me when u break free
You hate you homie you don't hate me
Gotta face the big man ain't gotta face me
Go for the goal don't care who playin' safety

I work
Put in the work
Work
You gotta work
Work
Put in the work
Work
You gotta work
You gotta
Lay it down
Stretch it out
Send it up
Take it back
Learn from that
Make it jump
Lay it down
Stretch it out
Send it up
Take it back
Learn from that
U gotta work
