

You Cute

Futuristic

Ooh girl you cute
Whatchu wanna do
Taste you like my food
Swear you make my mood
I wanna date you, forever
There's nobody better, never
I know your flaws, I love em
I see your scars, I touch them
I know your insecurities, we working on them, I won't rush you
No pressure, no yelling, only discussion
No cheating, no lying, baby I trust ya
You been down before and I been down, but now I'm down for you
You been high before when I was low, but now I found my groove
I was a clown before but now I'm grown, and I'll cross town for
you
So let's turn you and I to us, and then we'll see what we can d
o

Girl you cute, yeah
Whatchu wanna do, yeah
Girl you cute
On the inside and the outside
I'd be so proud if I can have you on my arm, forever, eva eva
Girl you cute
Whatchu wanna do, yeah yeah
Girl you cute
On the inside and the outside
I'd be so proud if I can have you on my arm, forever, eva eva
