Run, dog, run! That's 'wool'
Hot, hot hot, that's a 'hot dog'
God! Who let the dogs out?

G ain't no bullshit, bitch, I'm real
I was born calm and collected, my destiny is bullshit
I'm pure, Korean, natural, and limited edition
A magic pearl, a magic stick, bang bang, I'm aroused

Where my dogs at? What's up?
In the doghouse? My house?
I herd the other dogs, get dirty
Dogs call me by the sound of
Grass being ripped up and eaten
Samba, Rumba, Cha-Cha, Roo'ra
Sabah, sabah, shake your tails
Funny with my money?
Homie pay me like you owe me
Do you know the taste of dogs?
(Bark like a dog)

What bullshit is this

Bow, wow, wow
Yepi-yo, yepi-ye
Bow, wow, wow
Do the dog leg, dog leg, lit
(Bark like a dog)
Hey, what bullshit is this
Hey, what bullshit is this
Hey, what bullshit is this
Do the dog leg, dog leg, lit
(Bark like a dog)

I am my own lord throughout heaven and earth
Dictator of high-ranking generals, pit bull
Untie the rope, string, and reins around your neck
Unveiled, incubate the smell
Run, run, so that your dog fur flies
Untie it, untie it, it becomes a change
Watch out for the first round
The song of crazy dogs
(Get your crayon, crayon)

Where my dogs at? What's up?
In the doghouse? My house?
I herd the other dogs, get dirty
Dogs call me by the sound of
