

# DRAMA

G-Dragon

When every scene's rolling in good  
Why you acting like it's so bad  
There is nothing left to see right, so I'd  
Paint all over this painful of black  
Seems like you like to start an argument  
Win or lose, just for the hell of it  
Nǐ zǒng shì wèn wǒ ài nǐ  
Ài dé yǒu duō shēn

You never like it when it's nice  
Drama queen, got it from her mama (Mama, mama)  
Rather hang up to pick a fight  
What goes around, here comes the karma (Karma, karma)  
Baby, it's cold outside, I'll make you warm  
Burn, burn, this love  
The end begins for us, be nice  
I bet you like it, bet you like this

I've lost an angel, falling in love  
Blessing the curse that we are born with and  
I gave it all that I could but  
How dare you be so cold and heartless?  
Let's take a bow, I'm out the door  
You want more? Go play the role alone  
Wakaranai, imi mo naishi.  
Naze? Kimi wa...

I don't know why can't we be drama-free  
More than just a minute, I keep asking myself  
What the hell am I doing in this...?
