

A Little More

G-Eazy

Bay Area (Bay Area)
You're now mobbin' (Are now mobbin')
With Young Gerald (Young Gerald)
You gonna love it (Gonna love it)

I want to be a little more for you (Ayy)
To all the things she was supposed to do (Yeah)
You know that you deserve someone who's
A little more, a little more (Ayy)
I want to be a little more for you
And I know just what to do
Don't you need somethin' new? (Somethin' new)
Ohh, Ohh (Yeah)

Shh, mammi listen
You're prettiest on the planet and I got perfect vision
You're everything that I need, my mind is never switchin'
I slide in from the back, that's your preferred position
Ended up in the bed, but started in the kitchen
You worried when I'm on tour, we start becomin' distant
I mean I hate it all too, but you're the one I'm missin'
Tryna put a ring on you, and that's my vision
The only one in my world, those girls are non-existent
They not mine, take some time
I know that you been tryna start your makeup line
I know I been away, I can't make-up time
Soon as I'm back, I'll pull up at your place one time
Gimmie breakfast at Tiffany's, get lunch at Cipriani's
Put these diamonds all over you, drippin' like it's Dasani
An attitude but damn, that's a good bitch behind me
If you're lookin' for me, trust me, you know where to find me (Yeah, Ayy)

I want to be a little more for you (Ayy)
To all the things she was supposed to do (Yeah)
You know that you deserve someone who's
A little more, a little more (Is that right?)
I want to be a little more for you (A little more)
And I know just what to do (Yeah)
Don't you need somethin' new? (Somethin' new)
Ohh, Ohh (Yeah, uh)
Just little more, more, more, more, more, more, more, more (Ayy, Ayy)
Just little more, more, more, more, more, more, more, more (Ayy, ayy, Yee! Yee!)

I'm buyin' dresses for you, I bought a necklace for you (Ooh)
I won your heart the first time I cooked breakfast for you (That's facts)
I made you melt the first time I wrote a record for you (That's facts)
And if you'll give me your heart, then I'll protected for you
I take a whiskey, you order a more Balini (Ooh)
You actin' needy, but that's just because you need me
If someone told you a rumor [about me cheatin']? would you—
Would you believe me? Or give up completely? (Ayy)
'Cause I need to know, would you ride? Would you fold?
And listen to them girls, just believe what you're told? (Ayy)
Listen to your heart baby, believe in your soul (Believe)
I'm askin' are you tryna be with me when we're old? (Are you?)
Dear queen, you're the love of my life, I never had better
We made it here through the rain and all the bad weather

Tiki-ta-tiki-tiki-ta-ta, I tell you the rest when I see you
Love Gerald

I want to be a little more for you (Ayy)
To all the things she was supposed to do (Yeah)
You know that you deserve someone who's (What I deserve)
A little more, a little more (Is that right?)
I want to be a little more for you
(I want to be a little more for you)
And I know just what to do (I know just what to do)
Don't you need somethin' new? (Somethin' new)
Ohh, Ohh (Yeah, that's my baby)
Just little more, more, more, more, more, more, more (Ayy, Ayy)
Just little more, more, more, more, more, more, more
(Ayy, Ayy, Yee! Yee! Ayy, Yeah)
