

# Angel

G-Eazy

When I lay down and I fall asleep  
Hope I might see you in my dreams  
But it's been a few months  
Since I seen you in one of these  
Can't find what my faith is  
I been lost in this basement  
Keep searching and searching  
I must be looking in the wrong places  
But tonight  
I swear I never felt so close  
Never felt so close  
'Cause tonight  
I think I might've finally found what I needed most

'Cause I met an angel, an angel  
Who told me she knew someone  
Who looked just like me  
So I asked her to tell her something for me

I said "Hello. Are you there?"  
And "If I told you the truth  
Would it be way too much to bare?"  
'Cause how I feel is something no one knows  
My heart broke speeding down that road  
Can't stop bleeding but I hide these holes  
Just a façade that people want to see  
If they took the time to look closely  
I'm in agony  
I'm in agony

'Til I met an angel, an angel  
Who told me she knew someone  
Who looked just like me  
So I asked her to tell her something for me
