G-Eazy

(Yee) Need a chick who (Need a chick who)  
(Yee, yee) Need a chick who (Yee)

Put up with my shit, need a chick who (Need a chick who)  
Look better than her pics, need a chick who (Ooh)  
Can take the whole dick, I don't wanna call you bitch  
But if you gon be my bitch, then you gotta hold it  
Down, down, down, down, down, down, down  
Down, down, down, down, down, down  
Then you gotta hold it  
Down, down, down, down, down, down, down  
Down, down, down, down, down, down  
Then you gotta hold it down

Stay a hundred with me even when I ain't around  
You wanna be the queen, yeah, you wanna wear the crown  
You want that new Benz, wanna slide around the town  
Then you gotta hold it down, down, down, down, down  
Stay a hundred with me even when I ain't around  
You wanna be the queen, yeah, you wanna wear the crown  
You want that new Benz, wanna slide around the town  
Then you gotta hold it (Biatch) down, down, down, down, down

Even when it's bad, can't be out here givin' up my pussy 'cause you mad  
You should hold it down, I shouldn't have to ask  
'Cause if you a ten but you bop then you half  
Baby, do the math, loyal bitches get crypto (Crypto)  
All you other bitches get Lyft codes  
They don't give a shit though, they just want some dick though  
Know the floor squeak, walk of shame on her tiptoes  
From the Bay to New Orleans, they throw away all their morals  
And she gone slide down the pole and do my favorite performance (Do my favorite performance)  
Throwin' corporate money, I get paid for endorsements  
This my second home, I should take out a mortgage  
Her titties kinda small but the cake is enormous (Yep)  
Alotta all night functions, 'lotta 8 in the mornings ('Lotta 8 in the mornings)  
She got a good body but her face isn't gorgeous  
But if she wanna be my bitch, listen straight to the chorus

Need a chick who (Need a chick who, see)  
Put up with my shit, need a chick who (Need a chick who)  
Look better than her pics, need a chick who (Need a chick who)  
Can take the whole dick, I don't wanna call you bitch  
But if you gon be my bitch, then you gotta hold it  
Down, down, down, down, down, down, down  
Down, down, down, down, down, down  
Then you gotta hold it  
Down, down, down, down, down, down, down  
Down, down, down, down, down, down  
Then you gotta hold it down

Stay a hundred with me even when I ain't around (Yeah)  
You wanna be the queen, yeah, you wanna wear the crown  
You want that new Benz, wanna slide around the town  
Then you gotta hold it down, down, down, down, down

Stay a hundred with me even when I ain't around  
You know I'm the queen, bitch, I know you see the crown  
Buy me that new Benz I wanna slide around the town  
You know I'ma hold it down, down, down, down, down

Better put two fingers in it when you lick it  
I am not one of these bitches, send the private not a ticket  
Can't get my attention less he givin' up that chicken  
Pussy grippin', can you stand the rain? This that New Edition  
(I need a nigga who) Ain't friendly with these hoes  
(Need a nigga who) With the boss, CEO  
(Need a nigga who) Know how to keep his mouth closed  
(Need a nigga who) Gon' put me in that Lambo' (Skrrt)  
I need a Birkin, just because, ever since a youngin' had a thing for them th  
ugs  
And your pussy wet, he put your wrist on flood (Ice)  
In my city I get love, 'cause I got it out the mud  
I'm a G, I can't give it up too easy (Nah)  
Every time I leave he like, "Please", say he need me (Please)  
To catch my eye not cheap, but it's gon' cost more to keep me  
Nigga got a double C me if he wanna see me (Aye)

Need a chick who  
Put up with my shit, need a chick who (Need a chick who)  
Look better than her pics, need a chick who (Need a chick who)  
Can take the whole dick, I don't wanna call you bitch  
But if you gon be my bitch, then you gotta hold it  
Down, down, down, down, down, down, down  
Down, down, down, down, down, down  
Then you gotta hold it  
Down, down, down, down, down, down, down  
Down, down, down, down, down, down  
Then you gotta hold it down

Stay a hundred with me even when I ain't around (Yeah)  
You know I'm the queen, bitch, I know you see the crown  
Buy me that new Benz I wanna slide around the town  
You know I'ma hold it down, down, down, down, down  
Stay a hundred with me even when I ain't around  
You wanna be the queen, yeah, you wanna wear the crown  
You want that new Benz, wanna slide around the town  
Then you gotta hold it down, down, down, down, down
