

Freak Show

G-Eazy

Montana, G-Eazy

I got freak hoes, it's a freak show
I got only fucking on top of the sheets hoes
For the streets hoes, it's a freak show
I'm not shooting from the logo, these are free throws

I got freak hoes, it's a freak show
I got only fucking on top of the sheets hoes
For the streets hoes, it's a freak show
I'm not shooting from the logo, these are free throws

Said she missing me, wanna visit me
Running around talking 'bout we dated, not officially
We in public, baby, why you kissing me?
Me and French, we the kings of toxicity
I knock the pussy out, I feel like Mr. T
Can check my DNA, it ain't no bitch in me
I got a pentagrid, straight from sugar-free
I need an IG model, think I need it instantly

Me and you, no one's gotta know
What we do, no one's gotta know
She met me, all her dreams came true
I said, "Will you marry my dick?" She said, "Yeah, I do."

I got freak hoes, it's a freak show
I got only fucking on top of the sheets hoes
For the streets hoes, it's a freak show
I'm not shooting from the logo, these are free throws

I got freak hoes, it's a freak show
I got only fucking on top of the sheets hoes
For the streets hoes, it's a freak show

Montana

Me and you

Your mama and your cousin too
Sliding down the strip on fours
I fell in love with these freak hoes

I got freak hoes, Oscar winners, supermodels
But I'd rather fuck Instagram bitches with 100 followers
Bank rolled, no dicking bitches I ain't got no problem with
Chain gold, she ain't even blink when she swallowed it
Goggled it, topping it, under it, top of it, sideways
If I don't get a sample, I ain't chopping it
Morocco my environment, pussy good, I'm buying it
Lift that pussy whack, freak ho, why you trying?

I got freak hoes, it's a freak show
I got only fucking on top of the sheets hoes
For the streets hoes, it's a freak show
I'm not shooting from the logo, these are free throws
