Get A Bag

G-Eazy

Wake up in the morning
I gotta go and get a bag
Momma need it real bad
I gotta go and get a bag
(How much?)
Shit I gotta go and get a bag
Twentys, Fiftys, Hundreds
Gotta go and get a bag

Dior, Gucci, Rari, two seat
She's a movie, but means nothing to me
A-list singer and she's just a groupie
Rockstar lifestyle I mean that truly
Mic Jagger skinny iconic in these slim pants
Smile big, and watch the diamonds do the thizz dance
Use me for motivation, you be helped by it
I put twenty in my teeth because I felt like it
My number one is making sure that mom's straight
My whole family eating off of this plate
A long list of all the people I provide for
Time is money and it's all that I'm having time for

Wake up in the morning
I gotta go and get a bag
Momma need it real bad
I gotta go and get a bag
(How much?)
Shit I gotta go and get a bag
Twentys, Fiftys, Hundreds
Gotta go and get a bag

Right now losing ain't one of my options
Neither is the gun and ski mask concoction
And if you're balling for the raw better patch the locks in
I'm a grown man, never bust out my watches
Death is a guarantee, that's for certain
Faith in God, but the devil won't stop lurking
Naw, the goyard or the birkin
If you don't come home with the bag, don't stop working (don't stop)
Yeah, instead of just getting blunted (uh huh)
Use that energy to go get it as bad as you want it (get it)
Hand start itching, you feel it. That mean it's coming (coming)
Then you fill a bag up with the Twentys, Fiftys, Hundreds (what)

Wake up in the morning
I gotta go and get a bag
Momma need it real bad
I gotta go and get a bag
(How much?)
Shit I gotta go and get a bag
Twentys, Fiftys, Hundreds
Gotta go and get a bag

Yeah, uh
Cause this money not 'gon make itself
Rio De Janeiro 'cause its all about where you take yourself
Been around this world getting bags, tryna make this wealth

Pray for prosperity, and love, and we pray for health
I need 150k just for a walkthrough
But hit my agent bro, I'm not the guy to talk to
My rate is non-negotiable, you either buy or walk
I got no time to talk, the bags are coming by the flock
I'm never off, I'm working 5'o clock to 5'o clock
I do my job until the day that I'm outlined in chalk
I told my self, 'One day this shit will finally pop'
Fuck everybody, I'mma climb to the top
Yeah

Wake up in the morning
I gotta go and get a bag
Momma need it real bad
I gotta go and get a bag
(How much?)
Shit I gotta go and get a bag
Twentys, Fiftys, Hundreds
Gotta go and get a bag

Shit I gotta go and get a bag
Gotta go and get a bag
