

# I Mean It

G-Eazy

You know if I say something I mean it  
These things happen  
Yeah

If I ever said I'm never scared  
Just know I mean it  
If I ever said I fucked your bitch  
Just know I mean it  
And if I ever said I'm gettin' money  
Just know I mean it  
And oh Lord oh Lord knows  
He knows I mean it  
Yeah, you know I mean it  
You know I mean it  
Just know I mean it  
Just know I mean it  
Oh yeah oh yeah oh yeah

If I say that shit then I mean it  
She calls me, I screen it, I'm only fuckin' if it's convenient  
You lie on pussy, that's weak shit, we pass pussy 'round, that's G sh  
it  
But you ain't fam so what is this "we" shit?  
You cuff yours and then leash it  
Listen, I'm tellin' you, it's my world, I does what I wish to  
If you're mad well too bad, sounds like a personal issue  
I walk in, they all stare like "Who the fuck is this dude?"  
Kicks game is just rude, don't get jiu-jitsued  
Tunnel visions, I get ahead, stayed solid I never fled  
My haters feel like I'm better dead but I'm quite alive getting bread  
instead  
With a better girl, with a better face, I'm in a better place gettin'  
better head  
"I just wanna stay broke forever, " yeah that's that shit no one ever  
said

Signed Gerald, I'm sincere  
This year I'm in here, I'll spell it out to make things clear  
Meanwhile your end's near, I've gotta lane and I'm in gear  
You people wonder who's next up, that conversation really ends here  
You rappers just talk a bunch, stress me out, I chop a dutch  
Weak rappers tryna bite the sound, but my style is a lot to munch  
I'm more like whiskey neat, and you're more like vodka punch  
G's dope, he might blow up, think I know, I've got a hunch  
On my side it's authentic, you try to stunt but it's all rented  
But you're dope you got a bad chick, yeah, cool bro we all get it  
She wears a ring, came through without it  
You really think she stay true? I doubt it  
Cause I'm fucking your girlfriend, and there's nothing you can do abo  
ut it
