

## Lady Killers III

G-Eazy

Got on my leather jacket, Thriller, there sure ain't nothin' iller  
Man, I'm a lady killer, if I want her, I'ma steal her  
I promise I could make her fly away like caterpillars  
So if you don't know by now, then you should probably get familiar (Get familiar)  
So if you don't know by now, then you should probably get familiar (Get familiar)  
So if you don't know by now, then you should probably get familiar (Enough, hey)

I'm still hip-hop's Jack Nicholson, I'm hip-hop's James Dean  
Ain't shit changed since my first album, I still say what I mean  
If yo' girls pretty, don't leave her with me, don't make me ruin yo' dream  
Don't make me Time Machine, I take y'all back to 2014

These things really happen (Yeah)  
Oof  
You're not wrong for being paranoid, if I met your girl, I might swoop  
Since the first album I made it clear, if it happens, this ain't no fluke  
Everything I say is the truth  
Make her disappear just like poof, then she's gone  
Addicted, don't know what the fuck I'm on  
I can't stop it when I feel it coming on  
She wanna fuck, that's the same energy I'm on  
Still getting paid off a decade old song

Late nights till the sun arise  
Living every dream money buys  
Feeling like I lived a hundred lives  
In the double R that my butler drives  
Telling me she curved a hundred guys  
Just to be with me, I'm unsurprised  
Her and I both know it's time  
When she looks at me with them "fuck me" eyes  
Buying bottles when it's time to rip  
Most of y'all can't afford a sip  
Ten bands not including tip  
Could taste Bogota when I kiss her lips  
Know your friends won't believe you're here  
But please all I ask is don't take a pic  
Baby, this ain't no normal night  
And, baby, this ain't no normal dick

Don't kiss and tell, I'm no gossiper  
But if you put two and two together  
There's a decent chance that I got with her  
Decent chance it was not just her  
If I stirred the pot, there'd be a lot to stir  
You'd have to sign a long NDA  
If I told you who these belt notches were, I mean-
