P of the Year, I fucked half of California  
So don't come in and try and get territorial  
I killed the pussy, I should give it a memorial  
R.I.P. to it  
Moment of silence (Shh)  
But if walls could talk, they'll say, "G, you're wildin'"

Been up in this bitch, and I'm throwin' up my set (Yay Area)  
Told 'em, "Hold the ice," there's too much water on my neck (Yay Area)  
Bitch, I got now, later, and I got next  
Told the bitch I love her, I just really want the check (Yay Area)  
Been up in this bitch, and I'm throwin' up my set  
Told 'em, "Hold the ice," there's too much water on my neck (Yay Area)

And my brodie bro'll wipe your nose like it's some snot in that  
And this bitch so bad, I made her pick a corner  
Only time this bitch done folded on me, when she bent it over  
The way it's wobblin' in jeans, damn, I should get to know ya  
Ain't have no mask, I pulled up on her, bitch, it's still corona

And I bought a whole year if it was forty seasons  
He take my chain, I take his life, bitch, we're more than even
