

# Pick Me Up

G-Eazy

Cocaine clouds, eyelids peeled  
Thirty thousand feet, up's how it feels  
Homemade flask, hundred dollar bills  
Overflowing cups, till the glass fills  
Looking down on the earth, marijuana fields  
Uh, synthesize capsules and pills  
Hollywood castles, the hills  
Do it all, wonder will we live past the thrills?  
Yeah, pay the prices for a nice trip  
Yeah, vices got me in a vice grip  
And... I don't... even care if I live  
Wonder... if .... if I will ever...

If you come hit it once, be careful now (be careful now)  
'Cause baby once you pick me up, you can't pull me down  
Think you can leave me forever now?  
'Cause baby once you pick me up, you can't pull me down  
'Cause baby once you  
'Cause baby once you  
'Cause baby once you pick me up, you can't pull me down

My personality's addicted to it  
Pick up a habit and I'm stickin' to it  
Yeah, I tell my story and they listen to it  
Drugs'll probably paint a picture, see my vision through it  
Yeah, when she hit me, I'll be there again  
I swear that pussy's like heroin  
Used rubbers, dirty sheets, at the Sheraton  
Check your pockets for them drugs you been carrying  
Hope you got something for the come down  
The sun's been up, hey let's roll a blunt now  
Too much Ye, store refund, nah  
We all need limits, gotta learn how

If you come hit it once, be careful now (be careful now)  
'Cause baby once you pick me up, you can't pull me down  
Think you can leave me forever now?  
'Cause baby once you pick me up, you can't pull me down  
'Cause baby once you  
'Cause baby once you  
'Cause baby once you pick me up, you can't pull me down

I live without consequences  
When I play with death, I display talent  
Outta cash buying drugs, can I Paypal it?  
Don't talk about it, she'd just say something  
The Beautiful & Damned, tryna find balance  
She wants molly, she wants all that  
I call once and then I call back  
If my dealer don't respond back  
The whole world's gone all black  
Yeah, can't handle her, she's out her head  
Yeah, and then she looked at me and then she said  
"I hope you make it in Heaven for a half hour"  
Yeah, before the devil finds out you're dead

If you come hit it once, be careful now (be careful now)

'Cause baby once you pick me up, you can't pull me down  
Think you can leave me forever now?  
'Cause baby once you pick me up, you can't pull me down  
'Cause baby once you  
'Cause baby once you  
'Cause baby once you pick me up, you can't pull me down
