

# So Much Better

G-Eazy

It's Trap or Die...  
Yeah...

Look at your life... (Uh)  
Look at your life...  
Look at your life... (Yeah)  
It could be so much better...  
Man, it could be so much better... (Yeah, Uh)

It's like your afraid of success  
Afraid of achieving your best  
Most of the worlds always reaching  
On the contrary, it feels like your reaching for less  
So it would seem  
Your ex-used to lead you to stress  
I'm just trying to treat you the best  
Cause you could do better  
Trust me, think we can attest  
Life can be beautiful, blessed  
No disrespect, no offence  
I know how this might sound  
But I think you're too comfortable in your hometown  
Get around, see you some things  
Leave them fuck-boys and come chill with some kings  
Yadadamean, For instance  
Consider the difference  
Like just take a glance at the distance  
Distance between how you living and who you could be  
Come fuck with me, let's move with the quickness

Look at your life... (Yeah)  
Look at your life...  
Look at your life...  
It could be so much better...  
Man, it could be so much better...  
Look at your life...  
It could be so much better...  
So much better...  
Without these fuck ass niggas...

Well, Uh  
Maybe, maybe not  
I know this got too crazy hot  
They all want the life, the conveyance Jay-z got  
But don't see, that they did a lot  
Same shit back then, it's the same shit today  
Listen, Fuck you want me to say?  
Yeah, we could have been  
But you wasn't changing your way  
Afraid to leave home, so you stayed in the Bay  
So you went to SF State  
Then got you a job you hate  
But you want a home to domesticate  
But working those hours, is hard to date  
If you're mad at me, I'm a let you hate  
I still got love for you though, get that straight  
Want me to come back, I'm a let you wait

But would you be ready? I bet you ain't  
I bet you ain't...

Look at your life... (Yeah)  
Look at your life...  
Look at your life...  
It could be so much better...  
Man, it could be so much better...  
Look at your life...  
It could be so much better...  
So much better...  
Without these fuck ass niggas...
