Stan By Me

G-Eazy

You a lot to handle (oh)
They don't understand you (oh)
I'm not your only fan (oh)
Baby, I'm a stan for (you)
Baby, I'm a stan
Baby, I'm a stan for (you)
Baby, I'm a stan
Baby, I'ma stand by (you)
I'm trying to be your only man
But you've lots for sale, you got OnlyFans
Sent three DMs when I found your 'Gram
Making you my bae would be my only plan
Does that sound drastic?
She got a attitude and she's so sarcastic
So hung up on you, I just can't look past it
Tripping on you, two tabs of acid (trip, trip)
You are the one I dream about
You're the one I can't live without
I want your love, I don't want the clout
There's nothing else I give a fuck about (hey)
You a lot to handle (oh)
They don't understand you (oh)
I'm not your only fan (oh)
Baby, I'm a stan for (you)…
