That's A Lot

G-Eazy

Said ooh, that's a lot, lot
Look at them bands, that's a lot, lot
Like, ooh, we don't stop, stop
Count it up, that's a lot, lot
Like, hey, that's a lot!
Cashing checks out the box like
Ooh, that's a lot, lot
Count it up, that's a lot, lot

Cake, cake, cake
I'm laughing the whole way to the bank
I just take, take, take
Sweeping up this cash, I need a rake
I'm the captain out here, pullin' rank
Clap that ass, give it a spank
Going ape, ape, ape
Shit, play this, my face look like somethin' stank
This shit is fish grease, I'm court side, can't switch seats
Model chick weighs 95, I don't know what this bitch eats
The homie hit it, I hit it too
The head's great, the pussy cool
She fell in love off three fucks, like got damn, that's pitiful

Said ooh, that's a lot, lot
Look at them bands, that's a lot, lot
Like, ooh, we don't stop, stop
Count it up, that's a lot, lot
Like, hey, that's a lot!
Cashing checks out the box like
Ooh, that's a lot, lot
Count it up, that's a lot, lot

Cash, cash, cash
I just took her home, I'm about to smash
Stash, stash, stash
Them hoes you be with are hella trashy
Facts, facts, facts
I'm at Barney's fucking up these stacks
She got ass, ass, ass
When I hit it, she gon' throw it back like
Ooh, she a thot
She just wanna have my babies, tryna plot
Ooh, just took a shot
Take another and another
That's a lot, you know?

Said ooh, that's a lot, lot
Look at them bands, that's a lot, lot
Like, ooh, we don't stop, stop
Count it up, that's a lot, lot
Like, hey, that's a lot!
Cashing checks out the box like
Ooh, that's a lot, lot
Count it up, that's a lot, lot

Cashing checks, 'bouta flex
Tryna fuck, shoot a text

She said "now?", I said "yes"
Pulled up, put that pussy right to rest
I am nothing like the rest
"Baby, I'm the best"
Always pass the test
What can I say? I am grateful, I am blessed

Said ooh, that's a lot, lot
Look at them bands, that's a lot, lot
Like, ooh, we don't stop, stop
Count it up, that's a lot, lot
Like, hey, that's a lot!
Cashing checks out the box like
Ooh, that's a lot, lot
Count it up, that's a lot, lot
