G-Eazy

You, you used to have all the answers  
And you, you still have them too  
And we, we live half in the day time  
And we, we live half at night

Watch things on VCRs  
With me and talk about big love  
I think we're superstars  
You say you think we are the best thing  
But you  
You just know  
You just do  
You just do

Wanna find myself by the sea  
In another's company by the sea  
I wanna go out to the pier  
I'm gonna dive and have no fear  
Because you  
You just know  
You just do  
You just do

Watch things on VCRs  
With me and talk about big love  
I think we're superstars  
You say you think we are the best thing  
But you  
You just know  
You just do  
You just do
