

# Welcome

**G-Eazy**

Welcome, ladies, gentlemans, and freaks of all kinds  
I'll be your host, here to remind you that you're alive  
There's no need to worry, 'cause everyone's crazy here

Whoever you decide you wanna be, you belong here  
You can be who you wanna be, you can do who you wanna do, honey  
, as long as they wanna do you too  
But no matter what, open up, and be as free as you can be  
Welcome to the Freak Show  
Ha ha
