

# Wicked Game

G-Eazy

The world was on fire and no one could save me but you  
It's strange what desire will make foolish people do  
I never dreamed that I'd meet somebody like you  
And I never dreamed that I'd lose somebody like you, you

No, I don't wanna fall in love with you, with you  
No, I don't wanna fall in love with you, with you  
With you, with you

What a wicked game to play, yeah, to make me feel this way, yeah  
What a wicked thing to do, uh, to let me dream of you  
What a wicked thing to say, you never felt this way  
What a wicked thing to do, to make me dream of you

No, I don't wanna fall in love with you, with you  
No, I don't wanna fall in love with you, with you  
With you, with you

Why would she do me this way?  
You know they can't touch you playin' this wicked  
Walk out the line with someone you know  
Paparazzi outside, you know they finna flick it  
TMZ post, they keep namin' me in it  
See you been movin' this way for a minute  
Games that you play  
Yeah, but I guess that's your way of just makin' a statement to end it  
Face it, admit it, uh, you shootin' me down  
No Bulls how you aimin' and hit it  
Told just our first, but I never told mines  
So what happens now? I know they didn't get it  
Paint me the villain, I get it, I get it, yeah  
Uh, I get it, I get it  
Lookin' around, drivin' 'round town  
In the backseat of the Wraith 'cause it's tinted  
This shit can get lonely, yeah  
Fuck, this shit can get lonely  
Lookin' around thinkin' who really know me  
Who really stay down and who try to disown me  
Like, fuck  
Fuck fake love, I can still sense the foul taste of  
Memories I pushed way down  
I put everything else way above like

No, I don't wanna fall in love (Haha, you know)  
(I wanna fall in love again, uh)  
No, I don't wanna fall in love (You know)  
With you, with you

Nobody loves no one, yeah  
Nobody loves no one  
No one, no one  
Yeah

Nobody loves no one  
Uh, nobody loves no one  
Yeah, nobody loves no one  
Uh, nobody loves no one  
Uh, nobody loves no one, uh
