

2 Million

G Flip

Maybe one day I'll buy a new guitar
Maybe one day I'll put it on my wall
Maybe one day I'll have my own home
Maybe one day I'll call you my own

Maybe one day I'll give a ring to you
Maybe one day we'll have a kid or two
Maybe one day I'll grow old with you
Maybe one day our story will be told to two million
This universe holds many words we are eternal
Before we go let's let them know we are eternal
The story we told, the story we told, the story we told to two million
The story we told, the story we told, the story we told to two million

Now I have your hand I won't let go of you
Now I have your heart I won't let you down
Now I have your world I'll always keep the lights on
Now I have you here let's read these words to two million
To two million

This universe holds many words we are eternal
Before we go let's let them know we are eternal
The story we told, the story we told, the story we told to two million
The story we told, the story we told, the story we told to two million

This universe holds many words we are eternal
Before we go let's let them know we are eternal
The story we told, the story we told, the story we told to two million
The story we told, the story we told, the story we told to two million

Maybe one day I will call you my own, to two million
Maybe one day we will have our own home, to two million
Maybe one day I will give you a ring, to two million
Maybe one day we'll finally begin, to two million
