

# Australia

G Flip

Hits when I'm driving  
You know these streets better than I do  
And I hate flying  
'Cause when I land, I just see you

The silence is the loudest part  
The silence is the loudest part

But I wanted you to know that I still think of you  
Do you hate me? Do you miss me?  
Do you think about our history like I do?  
And I hope that you are happier  
Are you back home in Australia?  
Are you on to someone greater?  
And I know we're better off  
But when I'm feeling soft  
I think of you  
Is that a bad thing to do?

Collingwood to Hollywood  
You stayed right by my side  
I won't take for granted  
The fact that you changed my life

The silence is the loudest part  
The silence is the loudest part

But I wanted you to know that I still think of you  
Do you hate me? Do you miss me?  
Do you think about our history like I do?  
And I hope that you are happier  
Are you back home in Australia?  
Are you on to someone greater?  
And I know we're better off  
But when I'm feeling soft  
I think of you  
Is that a bad thing to do?

But I wanted you to know that I still think of you  
Do you hate me? Do you miss me?  
Do you think about our history like I do?  
And I hope that you are happier  
Are you back home in Australia?  
Are you on to someone greater?  
And I know we're better off  
But when I'm feeling soft  
I think of you  
Is that a bad thing to do?

(Are you back home in Australia?)  
(Are you on to someone greater?)  
Is that a bad thing to do?  
(Are you back home in Australia?) Oh  
(Are you on to someone greater?)  
Is that a bad thing?  
(Are you back home in Australia?)  
Is that a bad thing?

(Are you on to someone greater?)  
Is that a bad thing to do?  
(Are you back home in Australia?)  
Oh-oh  
(Are you on to someone greater?)

Are you back home in Australia?  
Are you on to someone greater?
