

Good Enough

G Flip

I've been trying to keep the demons away
But they've been creeping into my house at night
And I've been trying to get rid of all the pain
So I've been drinking and staying up late

And I can't be the only one
Losing my head before my heart
Is given the chance to have a new start
Yeah, it's getting old

Then you
Then you
Made me feel me again
Made me feel like I can
Love you
Love you
I don't deserve your hand
'Cause I don't think I am good enough for you

I've been trying to keep the demons away
But they've been creeping into my bed at night
So I'll go find myself another mistake
By having drunk sex and staying up late

And I can't be the only one
Losing my head before my heart
Is given the chance to have a new start
Yeah, it's getting old

Then you
Then you
Made me feel me again
Made me feel like I can
Love you
Love you
I don't deserve your hand
'Cause I don't think I am good enough for you

Good enough for you
Good enough for you
Good enough for you
Good enough for you
Good enough for you
Good enough for you
Good enough for you
Good enough for you

Then you
Then you
Made me feel me again
Made me feel like I can
Love you
Love you
I don't deserve your hand
'Cause I don't think I am good enough for you

Good enough for you

Good enough for you
