## G Flip

I look at her, I look at her  
And I'm amazed she's my girl  
She is home  
She is home away from home  
In every world

Even when there's lightning  
Even when we're fighting  
You hold your own  
Nothing ever breaks you  
Who the fuck made you  
So strong

Queen  
I'm proud of my queen  
Queen (You know)  
I'm proud of my queen

I look at you, I look at you  
And I'm amazed at all you do  
And when you're near, when you're here  
I feel so brave, so brave

Even when there's lightning  
Even when we're fighting  
You hold your own  
Nothing ever breaks you  
Who the fuck made you  
So strong

Queen  
I'm proud of my queen  
Queen (You know)  
I'm proud of my queen

You should be told that  
You need to know that  
You should be told that  
You are a

Queen  
I'm proud of my queen  
Queen (You know)  
I'm proud of my queen

I'm proud of my queen  
Queen (You should be told that) (You know)  
I'm proud of my queen
