

# Rough

G Flip

Was it in the timing?  
Where the hell did we go wrong?  
Where's the silver lining  
If everything we had is gone?  
Yeah, I wish it wasn't gone

And we both want to make each other scream  
Can't stop if you know what I mean  
I guess we're losing touch

How the hell did we get  
So rough?  
We forgot the safe word  
For our love  
Oh-oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh-oh  
How the hell did we get  
So rough?  
I thought that we established  
Our trust  
Oh-oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh-oh  
Yeah, yeah, yeah

Yeah, I was down to marry  
Something that I would never do  
You were up for carrying  
A piece inside me of you  
The things we put our bodies through  
I wish that I knew

How the hell did we get  
So rough?  
We forgot the safe word  
For our love  
Oh-oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh-oh  
How the hell did we get  
So rough?  
I thought that we established  
Our trust  
Oh-oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh-oh  
How the hell did...

Forgetting our love  
Getting so rough  
Losing our trust  
Oh-oh-oh-oh  
Forgetting our love  
Established our trust  
We're getting so rough  
Hey

How the hell did we get  
So rough?  
We forgot the safe word

For our love  
Oh-oh-oh-oh-oh-oh-oh-oh  
So rough  
Oh-oh-oh-oh-oh-oh-oh-oh  
How the hell did we get  
So rough?  
I thought that we established  
Our trust  
Oh-oh-oh-oh-oh-oh-oh-oh  
Oh-oh-oh-oh-oh-oh-oh-oh  
So rough  
Yeah, yeah, yeah
