Stupid

G Flip

Think we just made it through another night
You're not crying and I'm not asking you why
Think we just made it through without a fight
And now it's quiet and I'm holding you tight
Let's go with it, let's roll with it
Before sip turns to sip so belligerent
Then you're over it, I'm so over it
But we both come back every time

Why we always actin' stupid?
Why we always do this, do this, do this to ourselves?
Why we always actin' stupid?
I wouldn't wanna do this shit with anybody else
'Cause we kiss and fight and we fuck all night
'Cause we kiss and we fight all night
Why we always actin' stupid?
I wouldn't wanna do this shit with anybody else
Do we do it to ourselves?

Maybe we're only in this for the drama
'Cause you're an actress and I'm no better
I better watch myself when I'm with you
I better behave myself when I'm without you
So lets go with it, lets roll with it
But we both come back overtime

Why we always actin' stupid?
Why we always do this, do this, do this to ourselves?
Why we always actin' stupid?
I wouldn't wanna do this shit with anybody else
'Cause we kiss and fight and we fuck all night
'Cause we kiss and we fight all night
Why we always actin' stupid?
I wouldn't wanna do this shit with anybody else
Do we do it to ourselves?
(Do we do it to ourselves?)
Do we do it to ourselves?
(Do we do it to ourselves?)

I better watch myself when I'm with you
I better behave myself when I'm without you
I better watch myself when I'm with you
I better behave

Why we always actin' stupid?
Why we always do this, do this, do this to ourselves?
Why we always actin' stupid?
I wouldn't wanna do this shit with anybody else
Why we always actin' stupid?
Why we always do this, do this, do this to ourselves?
Why we always actin' stupid?
I wouldn't wanna do this shit with anybody else
'Cause we kiss and fight and we fuck all night
'Cause we kiss and we fight all night
Why we always actin' stupid?
I wouldn't wanna do this shit with anybody else

Do we do it to ourselves?
Do we do it to ourselves?
