

Desperate

G Herbo

Stupid ass
Stupid ass bitch
Stupid ass bitch
Stupid ass bitch
Stupid ass bitch
Stupid ass bitch
Stupid ass bitch
Stupid ass bitch

Stupid ass bitch must be used to that
I'm so sick of these ruthless-ass bitches, all these groupie-ass bitches
Only want me 'cause I'm rich, all they do is beg

I still remember them days I ain't have shit
I still gotta scoop the bag
Pockets fat, that's why I'm saggin'
Knowin' I'm that, that's why they braggin'

All on the net, they tellin' they friends on Instagram
They can't even tag it
If you ain't the type to say in advance that you got a man
I won't even ask it

I ain't the type to waste my time
Just talkin' and playin', I wanted some ass
Keep plottin' and shit, it ain't gon' last
Lil' toxic bitch, I wanted you bad

I been had cash, ain't worry 'bout that
This shit on my neck, it cost me a Jag
You took too long and now I'm gone
You hearin' how you fucked up in a song

Never let another bitch do me wrong
Too much game, can't lead me on
Bitches love me, can't leave me alone
Keep on callin' my phone, cryin' like
That's what you sound like

G Herbo went sad 'bout a hoe? Oh no, no
That don't even sound right
You think I'm a clown, right?
I'ma get the last laugh every time

Soon as this shit go down like
Get mad when I come around
Got left in the dark and you never found light
I told you this shit from the start
I ain't got no heart, but you see it now, right?
Now, right?

Alright, we never was together
How we gon' turn our back on each other?
And now that we separated
You just gon' fuck on my brother?

These hoes be on that time

I'm always on they mind
I'm always on the grind
I'm always in her spine

She lovin' on me, see I'm fine
She lovin' on me 'cause I rhyme
Ain't fuckin' with niggas unless they got a sack
I'm knowin' that she wanna dime

Ain't even used to bag
Yo' lil' stupid ass stupid

These hoes be on that time
I'm always on they mind
I'm always on the grind
I'm always in her spine
Ain't even used to bag
Yo' lil' stupid ass stupid

Stupid ass bitch
Stupid ass bitch
Stupid ass bitch
Stupid ass bitch
Stupid ass bitch
