

Focused

G Herbo

Yeah, Swervo

You know I'm in Miami right now, this the Miami section (Swervo)

It's the L.A. section, Chiraq section, you know?

Atlanta section

Man, my niggas dollars, you know

We on that gang shit, 150 Dream Team

You know we on all that fly shit, too, man

Stay rockin' G Fazos, we got a hunnid G Fazos

Put the Maison Margiela's on, we callin' them the caps

I rock that Gucci shit and Prada (ayy)

Hit the scene lookin' like a million dollars

I was dead broke, made no excuses

f*ck nigga, I don't wanna hear about it ('bout it)

I was on the block, you ain't care 'bout it

When they killed Roc you ain't care 'bout it (care 'bout it)

Now I'm on top, tell me how, nigga lookin' for me

Turn my phone off on everybody

Since they killed Cap, I been B's, B's

Flame the opps up with a red lighter

Keep your bitch on her knees

She ain't got potential to wife her but f*ck it, her head like it (woo)

Bitch ain't f*ckin', why you on my bed like it?

Can't chill tonight, she'll get excited (bitch)

When the cops come, yeah, you better hide it (bitch)

Bitch, don't come here 'less you're invited (bitch)

Yeah, it's that nigga again, that lil' nigga again, back on business again,

ayy

Handle your business, young man, how you do all that shit independent, and w
in? Ayy

Count up them digits again, every month I get residuals in

Here for the hustlers, stack all the shit that come in, and take care of you
r mama (take care of your mama)

Take care of your children, take care of your niggas, stay out that drama (f
or real)

Go watch everybody, the moment they do somethin' funny, then f*ck 'em (for r
eal)

Nigga run up on you, then buck it (for real)

Kill a f*ck nigga, it's nothin' (ayy)

Wanna run with me? It's nothin'

Ran it up, a milli with nothin' (with nothin')

I don't cooperate with the police, I ain't tellin' 'em nothin' (I ain't tell
in' 'em nothin')

I'ma blow this bitch in public, f*ck it

Yeah, that ain't no discussion

I ain't with none of the bluffin'

I ain't with the yellin' and arguin', fightin' and tusslin' (at all)

I'ma just up, get to bustin', buyin' out whatever, who want it? (who want it
?)

Nigga want smoke, we on it (we on it)

I don't never see no opponents (I don't never see no opponents)

That's how I went and got what I wanted

That's why I spent racks when I want it (spent racks when I want it)

Nigga reach for my piece, he a goner (get gunned)

I dare a f*ck nigga who wanna? (wanna, yeah)

And I put in work by my lonely (my lonely)

Get put on a shirt if you wanna (get put on a shirt)
Whole lotta haters, I know it (I know)
Wish I still had work on the corner (wish I had work on the corner)
I know it bring problems, money (money)
In the stu', gotta lil' twenty on me (gotta lil' twenty on me)
In the field gotta watch for the phonies
Kobe told me to watch for the homies
Man right now I just gotta stay focused (stay focused)
Then put somethin' on the block for the homies (uh)

Tell all my real niggas, "stay focused" (stay focused)
All my niggas fightin' time, stay focused (they focused)
If you do it for the fam, stay focused (stay focused)
Tryna slam a lil' cuz, they bogus (they bogus)
Out my room window, see lakes and the ocean
'Member couldn't sleep, seein' rats and roaches (seein' rats and roaches)
Yeah, but let you tell, nigga, it was all fame and fortune (it was all fame
and fortune)
