

Statement

G Herbo

Uh, check this out

Yeah

Uh-huh

Always, always mean what you say

(Cole, you stupid)

Real nigga 'til I leave (You know that)

Elevated, do this rappin' shit with ease

I got a brick on my sleeve, you dissin' me, please

Comparin' me to different MC's, stop it

I really am the shit so I don't pop it

Before Twitter was a trendin' topic (Ayy)

I was on the block with thirty shots and Glocks had the spot hoppin' (Swervo), dummy

But they actin' like they don't remember that (Yeah)

Been a leader with that heater, I got right up into that

You can never take a killin' back

Whole heart was in the streets, I had to leave her, get my fuckin' feelings back

Same spot they shot my brother, next day I'm chillin' at (Essex)

I ain't lyin' they was winning 'til we started spinnin' back (Spinnin' back)

But anyway, said enough of that, let's talk about this paper (Let's talk about it)

Let's talk about them jets, yeah, let's talk about Jamaica (Come on)

Ask about me, I ain't never been a fraud (Never), I went hard from the start (The start)

In my city I'm a God, motherfucker

If you know, you know

Never been no phony though (For real)

Rollies for my brodie though

Barely know Joe rodeo (For real)

Heard they lookin' for me, I'm like, "Oh, I'm on the way"

Bond money, know I'm straight

I spent a 130K out the gate (Yeah)

They like, "Swervo stay safe", I'm like, "Man, y'all late" (Y'all late)

Y'all like, "Free me", I'm like, "I've been in the crib all day"

I'm in Cali thinkin' how I come from pissy hallways

Long as I never go back, I'm that nigga always (Always)

And you know that

Been havin' these M's but they taught me not to show that (For what?)

Before that, like a throwback (Like a throwback)

As soon as the shit go left, I'ma throw back (Brrr)

And I could've bought the Rolls last year but instead, I bought a four-flat That's no bap (No bap)

Pro Chicago, I'm pro 'Raq (I'm from the 'Raq)

I'm motivation for the trenches 'cause I'm Pro-Black (Pro-Black)

Real No Limit so we don't play by the rules

How the fuck I catch a case? We bought a school (Damn)

Don't be fooled, you niggas fools (Fool ass nigga)

On the 'Gram readin' comments I'm like, "Ooh, cool, so they want me to lose"

I can't break like I'm bulletproof (Teflon)

And I can say what I wanna say, all I'm gon' say is before fame, bitch I been the truth (Ayy)

And when you put it on my name, gotta send some proof (Dumb ass)

They like, "Charge it to the game", I got feelings too (I do)

Shit be difficult (Yeah), but still visual (It is)

Me and JB just been talking 'bout residual (You dig?)

Checkin' on my analytics shit, get digital (Shit, get digital)
Yo, just stay up off my dick, it ain't consensual

Nigga

G Herbo

Too Fire/25, the album comin' soon, nigga
