

# Close To Me

G-Unit

Unstoppable  
Incredible  
Impeccable  
It's it's the unit  
Woo woo u know how we do it  
Woo woo I make u dance to it  
Woo woo throw up your hands to it  
Go ahead call the cops come on

Girl what's it gonna take to have u close to me right by my side where u suppose to be they start to notice u when they notice me and u can have it all free of charge I know u like european cars take take a look at my garage make make a week of no menage me in the middle and your legs to the side

I've got that bentley ferrary that lambo lean  
My car game crazy I can't be seen  
The aston bugatti the range and the rovs  
Got me freakin off with some high class hoes  
U know with me man anything goes  
I have shoty in the telly working all 3 hoes  
Jesuse I bet u won't bealive this unless I let u see this  
She deep throat my whole coock  
Now I'm thinking this bitch is so hot  
I gotta take her to my hood let her blow my whole block  
Yeah I just happen to be what she likes  
She said I'm special I'm like yeah babe u right  
A lil goose a lil patrone tonight I have a club lookin like a fucking zoo aight  
New music u can't confuse it with the other cliques or crews it's the unit

Girl what's it gonna take to have u close to me right by my side where u suppose to be they start to notice u when they notice me and u can have it all free of charge I know u like european cars take take a look at my garage make make a week of no menage me in the middle and your legs to the side

Shorty came over I told her I can mould her  
Turn her to a rider rub it with a roler  
Hold up like a cobra hold her till she sober  
Fold her in positions so it's hard to bend over  
I'm a very special kind I can't let u shine

These rappers out their mind don't come get'em make em rime  
Take a look at my design my luis fittin fine  
My jewelry might blind I'm a walking white line  
U can't get on my level that will take a lifetime  
And what I got at 25 it'll take ya life time  
And I don't care about crime as long as it's not mine  
And I'mma be fine I'm stronger then white line  
If ya girl ain't home till the early morn  
She's probably with the g-unit geting it on  
I told her she's miss right so it can't be wrong  
And we went at it all night long

Girl whats it gonna take to have u close to me right by my side where u suppose to be they start to notice u when they notice me and u can have it all free of charge I know u like european cars take take a look at my garage make make a week of no menage me in the middle and your legs to the side

For 1 or 10 baby girl off the ripdawg  
But I ain't trickin I ain't nelly and spitzaw  
Shake that ass drop it low like a striper  
Shake that ass drop it low like a striper  
I'm in love again on them drugs again  
Same club same spot same girls again  
Girls comin in and were poopin them bottles  
By 12 o'clock we be poopin them models  
Yeah for settle the club go crazy like uh uhh uhh baby  
Okay bottle of Jose shorty she the portion her friend like hey  
Girl jump in watch me go 0 to 60  
Take u to the rich slope off ur miss sixtys  
I know u heard of 50 I know u heard of yay  
I steve nash this hoes pass them all day

Girl whats it gonna take to have u close to me right by my side where u suppose to be they start to notice u when they notice me and u can have it all free of charge I know u like european cars take take a look at my garage make make a week of no menage me in the middle and your legs to the side

It's easy man  
Bealive me man  
This is the unit  
This is how we do it  
Banks yay 50
