

Doing My Own Thing

G-Unit

Oh, Oh, Oh
GGGG G-Unit
Yeah
It's 50 Cent
And Lloyd Banks
And Tony Yayo
Nigga (ha, ha)
You got to love it
New York City

I've been doing my own thing
You can tell by the stones on my neck, and my wrist and my ears
I'm doing my thing
I said I've been doing my own thing
You can tell by my Benz, by my BM and my Hummer
Damn, I'm doing my thing

My chain is so heavy, I think it's necessary
For me to talk about all of the stones in my bezel
I used to push a Chevy, I rather cop a Bentley
And stunt on these niggas till my tank on empty
This gangsta shit is in me, the money, I got plenty
I still hustle, but I don't cop jewels from Benny
I know a stripper named Jenny, a marked nigga named Vinny
A A&R named Lenny, a CEO named Diddy
50 is so witty, 50 is so high
50 got the fucking hood on lock, what

I've been doing my own thing
You can tell by the stones on my neck, and my wrist and my ears
I'm doing my thing
I said I've been doing my own thing
You can tell by my Benz, by my BM and my Hummer
Damn, I'm doing my thing

When I'm knocking you down no one can save ya
From the other side of the door it sounds like you going through labor
My passport valid so I'm going through Asia
Flying to Paris, stopping in Britain, shoppin' and shittin'
If you ain't jumping off in the truck you walking
We got frozen hearts, get on the bus like Rosa Parks
My name popping so I'm higher than the price
Bitch, I'm about to make enough money to buy you a life

I've been doing my own thing
You can tell by the stones on my neck, and my wrist and my ears
I'm doing my thing
I said I've been doing my own thing
You can tell by my Benz, by my BM and my Hummer
Damn, I'm doing my thing

I got so many hoes that my pimp game nasty
The only time I don't fuck is in the AIDS capital
You look at the watch, you have a hard time seeing
I got so many rocks they have a hard time breathing
See the cross on my neck
Hoes want to know what's the cost on my neck

First she said no, now she almost said yes
Now we in the telly and we both buttnake'
Working up a sweat

I've been doing my own thing
You can tell by the stones on my neck, and my wrist and my ears
I'm doing my thing
I said I've been doing my own thing
You can tell by my Benz, by my BM and my Hummer
Damn, I'm doing my thing

Yeah nigga
You know it's me when I'm cruising
Through ya motherfuckin' hood and shit nigga
Don't try to act
Like you don't know its me and shit
You know what I'm sayin'?
I ain't put no tints
On the motherfucker
So you can see me nigga
If I'm a spend 125, 000 dollars
On some wheels I want you
To get a good look nigga
