

Skit - Duets 3

G-Unit

If you love Ja Rule Duets 1 and 2 - and how could you not? - then you'll love Ja Rule Duets 3. Ja Rule is so hot right now everybody wants to record with him, or at least, re-record with him. On Duets 3, you'll get this:

Whenever (whenever), wherever (wherever)

We're meant to be together

(What you say?)

I'll be there and you'll be near

(Holla)

And that's the deal, my dear (uh)

(What would I be without you?)

Thereover, hereunder

And this:

This is how (this is how) you remind me (remind me) of (of) what I really am (am)

This is how (you) you remind me (me) of what I really am (holla)

It's not like you to...

This is the song that proves nobody gets the party started like Ja Rule:

I'm coming up so you better get this party started

(To all my people, we be living in a - hey)

Ja Rule, Duets 3. If you order now you'll also get this bonus masterpiece:

All the boys say, "hey baby, hey baby, hey" (uh)

Girls say, girls say, "hey baby, hey baby, hey"

(Ja Rule say)

Hey, baby

(He put it on me - holla)

Hey baby, hey baby, hey

Boys say, the boys say, "hey baby, hey baby, hey"

All the boys get the girls in the back (back)

Ja Rule, Duets 3. It'll make you holla. (Holla)
