

# Baby It's Cold Outside (Parody)

Gabbie Hanna

I really can't stay  
But, baby it's cold outside  
I gotta go away  
But, baby it's cold outside  
This evening has been  
Been hoping that you'd dropped in  
So very nice  
I'll hold your hands they're just like ice  
My mother will start to worry  
Beautiful what's your hurry?  
My father will be pacing the floor  
Listen to the fireplace roar  
So really I'd better scurry  
Beautiful please don't hurry  
Well maybe just a half a drink more  
Put some records on while I pour

The neighbors might think  
Baby it's bad out there  
Say what's in this drink?  
No Ubers available out there  
I wish I knew how  
Your eyes are like starlight now  
To break this lock  
Just wait 'til get a look at this-  
I gotta say no, no, no sir  
Mind if move in closer?  
At least I'm gonna say that I tried  
What's the sense of hurtin' my pride?  
I really can't stay  
Baby don't hold out  
Baby it's cold outside

I simply must go  
Baby it's cold outside  
The answer is no  
Baby it's cold outside  
The welcome has been  
How lucky that you dropped in  
So overstayed  
Just close your eyes, let your vision fade  
My sister will be suspicious  
Gosh your lips look delicious  
My brother keeps a gun by the door  
Who lives on a tropical shore  
My maiden aunt's dogs are vicious  
Gosh your lips are delicious  
What kinda girl do you take me for  
Wait 'til you see what I've got in store

I've gotta get home  
But, baby you'll freeze out there  
Hey! Give me my phone!  
It's up to your knees out there  
We live in LA  
I feel when I touch your hand  
It's eighty-two degrees

How can you do this thing to me?  
There's bound to be cops tomorrow  
Think of my life long sorrow  
At least there will be a body to find  
Such a pity if you died  
I really can't stay  
Get over that old out  
Baby it's cold outside

Seriously can I go?  
Yeah  
Wait, seriously?  
Yeah, why didn't you just ask?  
That's literally what I've been doing  
For the past two and a half minutes  
Really? I didn't mean to hold up or anything  
Can I have my phone?  
Yeah, go ahead  
Thanks, see you later  
We should do this again sometime  
Okay  
What chu' got goin' on Tuesday?  
Um, Tuesday I have this thing  
What thing?  
Oh, um, probably have to edit
