

# Rivers Deep

Gabby Barrett

Don't worry babe, when your heart is weak  
Just lay your head, lay it down on me  
Baby, what we got, doesn't grow on trees  
This kind of love runs rivers deep

Let the floods rise up  
Ain't got nothing on us  
This kind of love runs rivers deep  
Let the floods rise up  
Ain't got nothing on us  
This kind of love runs rivers deep  
This kind of love runs rivers deep

Tryna fight the voices  
Can't let 'em go  
Tryna hide the poison  
I'm drowning your soul  
Give me all your pain  
All your wicked pain  
All the prayers are broken  
You ran out of hope  
I'm putting out the fire  
Burning your bones  
So let the river flow  
Oh, so let it rise up, rise up  
Let the river rise up

Don't worry babe, when your heart is weak  
Just lay your head, lay it down on me  
Baby, what we got, doesn't grow on trees  
This kind of love runs rivers deep

Let the floods rise up  
Ain't got nothing on us  
This kind of love runs rivers deep  
Let the floods rise up  
Ain't got nothing on us  
This kind of love runs rivers deep  
This kind of love runs rivers deep

Oh-oh, when the world is heavy  
I'll carry the love  
Ooh, baby I'll protect you  
Wherever you go  
We gon' be alright  
Oh, so let it rise up, rise up  
Let the river rise up  
Rise up, rise up  
Let the river rise up

Don't worry babe, when your heart is weak  
Just lay your head, lay it down on me  
Baby, what we got, doesn't grow on trees  
This kind of love runs rivers deep

Let the floods rise up  
Ain't got nothing on us

This kind of love runs rivers deep  
Let the floods rise up  
Ain't got nothing on us  
This kind of love runs rivers deep  
This kind of love runs rivers deep

(Rise up, rise up, let the river rise up)  
(Rise up, rise up, let the river rise up)  
(Rise up, rise up, let the river rise up)  
(Rise up, rise up, let the river rise up)

Don't worry babe, when your heart is weak (Rise up, rise up, let the river rise up)  
Just lay your head, lay it down on me (Rise up, rise up, let the river rise up)  
Baby, what we got, doesn't grow on trees (Rise up, rise up, let the river rise up)  
This kind of love runs rivers deep

So, let the floods rise up  
Ain't got nothing on us  
This kind of love runs rivers deep  
Let the floods rise up  
Ain't got nothing on us  
This kind of love runs rivers deep  
This kind of love runs rivers deep
