

## Ain't My Baby

Gabe Bondoc

I made a mistake and I'm sorry.  
I was wrong... and it's hardly enough just to say the words.

I misled, I regret it.  
And she won't forget it...  
I'm just a fool... I'll admit that I am.

And who's laughing now?  
I heard she found somebody new to give her heart to.  
I wore a crown...  
... traded it in for a permanent frown cuz' my baby...  
Ain't my baby no more.
