

By Now

Gabe Bondoc

You think by now
I'd forget the smell of your skin
Mmm but it's just not the case, oh no

You think by now
I wouldn't know how long that it's been
Ooh but I've been countin' the days
Everyday
I know

I know by now
I should be okay with being friends
Ooh but I just don't get how
I would write to you (Write to you)
But I don't know what I'd do to get through to you...

Swear I'm not crazy
Mmm I'm just a little bit lost
You've got a piece of my heart
Swear I'm not crazy
Ooh I'm just trying to move on (I'm just trying to move on)
Trying to move on...

You think by now
I'd forget the things that we've said
Mmm they just hang in the air
I'm going nowhere

You think by now
I'd forget the nights that we'd spend
No, they just repeat in my mind
Out of my mind
I go

I know by now
I shouldn't miss the way that you'd smile
But I see it clearer than mine
I would write to you (Write to you)
But I don't know what I'd do to get through to you...

Swear I'm not crazy
Mmm I'm just a little bit lost
You've got a piece of my heart
With you
Swear I'm not crazy!
Ooh I'm just trying to move on (I'm just trying to move on)
Trying to move on...

All the unanswered questions they keep me awake
I can feel that I'm tired but my heart wasn't made
For wondering...
About you now...

(Swear I'm not Crazy) about you now...
(Swear I'm not, Crazy)

Swear I'm not crazy at all

I'm Just a little bit lost
You've got a piece of my heart now
Well I swear that I'm not, swear I'm not crazy, swear that I'm not
I'm just trying to move on without you now

What's it gonna take to move
[x2]
What's it gonna take to move on now

I'm just a little bit lost
I'm just trying to move on without you now...
