

# Mistake

Gabe Bondoc

I made a mistake, and I'm sorry  
I was wrong and it's hardly enough  
Just to say the words  
I misled, I regret it  
And she won't forget it  
I'm just a fool, I'll admit that I am

Who's laughing now?  
I heard she found  
Somebody new to give her heart to  
I wore a crown  
I'm trading it in for a permanent frown  
'Cause my baby ain't my baby no more
