

My Life Love Everything

Gabe Bondoc

We've been together for a while now
And though I memorize your smile now
I'm still mesmerized, still hypnotized

You're still the woman that I first met
And though I didn't know your name yet
I knew that something deep inside me
It just the yearn for you

This little box holds a shiny thing
A shiny ring that means you're everything
I'll get down on my knee, and ask you to be

My life, my love, my everything
All the music I've got
Oh baby is for you I sing
My life, my love, my everything
I refuse to go on without
The joy you bring
I'll look deep in your eyes,
And ask you to be mine
Be mine

Love is complex in it's simplicity
It shines the most when
You are here with me
I can tell you can't deny
You feel butterflies

It isn't just because you're beautiful
It's that you don't think you're beautiful
But I know that you know, that I do

This little box holds a shiny thing
A shiny ring that means everything
I'll get down on my knee, and ask you to be

My life, my love, my everything
All the music I've got
Oh baby is for you I sing
My life, my love, my everything
I refuse to go on without
The joy you bring
I'll look deep in your eyes,
And ask you to be mine

My once in a lifetime love
I hope you know that you're
The only I'm thinking of
Please stay baby say
You'll spend your life with me
Cause I'll tell you right now
You're all that I wanna see
It's for you I sing

My love, my life, my everything
I refuse to go on without

The joy you bring
I'll look deep in your eyes
And ask you to be mine
Be mine
