

# Perfectly Distracted

Gabe Bondoc

No strings just living alone and free  
So happy there's nothing I really need  
Ever since you came around I can finally be  
Anyone but me

Maybe its crazy and I'm acting a fool  
But I like the way we match  
And I'm perfectly distracted by you  
Looking back at me like you do  
I've got you distracted too

Lost in the wonder of all things new  
Attraction covering up the truth  
Hidden pictures of the messes that I've been through  
All I see is you

And now everywhere I go  
No matter what I do - I keep missing you  
Don't mean to sound too cliché  
Open up the gates  
Not even sure if I can meet halfway  
All I know I just can't think straight

Maybe I'm crazy and I'm acting a fool  
But I like the way we match  
And I'm perfectly distracted by you  
Looking back at me like you do  
I've got you distracted too

Nothing's gonna get in my way  
Oh, no  
I'm totally committed to this disarray

And now everywhere I go  
No matter what I do - I keep missing you  
Don't mean to sound too cliché  
Open up the gates  
Not even sure if I can meet halfway  
All that I know  
I just can't think straight

Maybe I'm crazy and I'm acting a fool  
But I like the way we match  
And I'm perfectly distracted by you  
Looking back at me like you do  
I got you distracted too
