

Pinch Me

Gabe Bondoc

We don't need a whole lot of words
Just the right ones
Just the right lights
Just the right songs

Girl don't be nervous
No need to be shy
What happens, it stays right here
Between you and I

Tell me, am I dreamin'
We're spending the evening right here
Am I really seeing you in my bedroom
Pinch me, honey
Oh my, my, you're really here

I'm lovin' this feelin'
So deep in my me and my fear is
My mind is playing tricks on my heart now
Pinch me, honey
Oh my, my, you're really here

Love the way you smile at me
I can't help but smile right back
The way you're playing hard to get
Makes me wanna' take that chance

Thinkin' 'bout the way you moved
Just before the music slowed down
I could stay up all night long
Just to watch you dance

Tell me, am I dreamin'
We're spending the evening right here
Am I really seeing you in my bedroom
Pinch me, honey
Oh my, my, you're really here

I'm lovin' this feelin'
So deep in my me and my fear is
My mind is playing tricks on my heart now
Pinch me, honey
Oh my, my, we're really here

Tell me, am I dreamin'
We're spending the evening right here
Am I really seeing you in my bedroom
Pinch me, honey
Oh my, my, you're really here

I'm lovin' this feelin'
So deep in my me and my fear is
My mind is playing tricks on my heart now
Pinch me, honey
Oh my, my, we're really here

Tell me, am I dreamin'

We're spending the evening right here
Am I really seeing you in my bedroom
Pinch me, honey
Oh my, my, you're really here

I'm lovin' this feelin'
So deep in my me and my fear is
My mind is playing tricks on my heart now
Pinch me, honey
Oh my, my, you're really here

Tell me, am I dreamin'
Right here
Pinch me, honey
Oh my, my, you're really here
