

Pretend

Gabe Bondoc

Now don't you pretend that you don't see me
I got your eyes as you were looking away
Now I need you to pretend that you need me
I think I need you in the worst way

If I, come close
You'll feel the heat through these rest clothes
Sparks fly, fires grow
Tell me you need me now

You are like nothing that I've ever seen
Not in a movie nor a magazine
You bring the flash, I'll bring the kerosene
Tell me you need me in the worst way

Don't hurt, don't go
Just let your body do the thinking now
Sparks fly, fires grow
Tell me you need me now

(If you want me, girl)
Then we can just go right now, baby
(You just tell me so)
And we can get this thing started right now
(If you want me, girl)
Think I can learn a few things about you, girl
(You just tell me so)
Tell me you need me now
Tell me you need me now

You got the heat, you got that fire
I'm trying to gear up beside you
I ain't even gonna' lie to you
Why don't you come with me

Let me learn, don't be concerned
You're hot and I wanna' burn
I promise, I'll wait my turn
To show you what you deserve so

Don't hurt, don't go
Just let your body do the thinking now
Sparks fly, fires grow
Tell me you need me now

(If you want me, girl)
Then we can just go right now, baby
(You just tell me so)
And we can get this thing started right now
(If you want me, girl)
Think I can learn a few things about you, girl
(You just tell me so)
Tell me you need me

Don't play I'm falling in love with you, baby
But for tonight let's pretend we do, maybe
Come out and play, come have your way

Whatever you need, I got
I gotta' tell you now

Don't play I'm falling in love with you, baby
But for tonight let's pretend we do, maybe
Come out and play, come have your way
Whatever you need, I got
I gotta' tell you now

Don't hurt, don't go
Just let your body do the thinking now
Sparks fly, fires grow
I think I need you now

(If you want me, girl)
Then we can just go right now, right now, baby
(You just tell me so)
And we can get this thing started right now
(If you want me, girl)
Think I can learn a few things about you, girl
(You just tell me so)
Tell me you need me now

(If you want me, girl)
(You just tell me so)
(If you want me, girl)
