

Just Be Yourself

Gabin

When you think you want to change your life
Cause you cant stand it anymore
Dont go looking for anyone
Who will just tell you what to do

When you think youve made a big
And theres hardly any escape
Dont let this be an excuse
You can start again anytime you want

Now you know, what you have to do
And theres no one who can tell but you
Now you know, who you really ate
No one can teach you how to survive
