

Maybe

Gabriela Bee

Maybe I'll see you at Christmas
Maybe I'll see you at new years
Maybe we'll laugh like you never left
When I see you again in two years

Maybe it all will be different
Or maybe your hair will be shorter
Or maybe we won't even talk anymore when we're older

I'll be missing you
Every minute you
Aren't here
The future isn't clear

Oh, maybe
All we have is maybe
Maybe I'll
I'll see you again
Oh, maybe
All we have is maybe
Maybe oh
This is not the end

Maybe one day I'll get married
And you'll be my maid of honor
And during your toast you'll make everyone cry
And I'll finally see tears from my father

Maybe our kids will be best friends
We'll live down the street from each other
And maybe I'll smile cause your daughter laughs like her mother

I'll be missing you
Every minute you
Aren't here
The future isn't clear

Oh, maybe
All we have is maybe
Maybe I'll
I'll see you again
Oh, maybe
All we have is maybe
Maybe oh
This is not the end

Or maybe it is and that's ok

This isn't goodbye
It's see you again
See you again

This isn't goodbye
It's see you again
See you again

Maybe

All we have is maybe
Maybe I'll
I'll see you again
