

Dear Happy

Gabrielle Aplin

I started thinking I should open my mouth and
Let the words out, Yeah
Let the words out, Yeah
I know they'll happen if I only allow them
They'll come as a crowd, yeah
Out as a crowd, yeah

Dear Happy, don't go
Not there but I'm close
I just always thought I'd never win
Dear Happy, you see
It's not easy for me
But I know that I'm close

Cause I feel
That it's here for us
And it's real
And it's real for us

Don't you worry, oh no
Don't be alarmed
I'm just working it out here
Working it out here
I'm somebody with a recovering heart
You've waited there for me
Keep waiting there for me

Dear Happy, don't go
Not there but I'm close
I just always thought I'd never win
Dear Happy, you see
It's not easy for me
But I know that I'm close

Cause I feel
That it's here for us
And it's real
And it's real for us

Dear happy, don't go
Not there but I'm close
I just always thought I'd never win
Dear Happy, you see
It's not easy for me
But I'm closer than I've ever been
