

# Never Be the Same

Gabrielle Aplin

You'll never be the same  
You'll never be the same  
I'll never be the same  
Don't recognise myself, my face, my name no more

Been living out my suitcase lately  
Been home for seven days already  
And I can't bear to open it up  
'Cause it means opening up  
Everything I'm putting off  
Can't hide no more

It's all fun and games  
'Til you realise that you've changed  
Yeah it's all fun and games  
'Til you realise

You'll never be the same  
Don't recognise myself my face, my name  
I'll never be the same  
Don't recognise myself, my face, my name  
No more

I haven't even touched my bedsheets  
Seven nights of you not with me  
And I can't bear the thought of washing you off  
Cause it means that I'm moving on  
And I know I have to move on  
I can't hide no more

It's all fun and games  
'Til you realise that you've changed  
Yeah it's all fun and games  
'Til you realise

You'll never be the same  
Don't recognise myself my face, my name  
I'll never be the same  
Don't recognise myself, my face, my name  
No more

I don't know who I am without you  
Don't know who I am without you  
I don't know who I am without you

I'll never be the same  
Don't recognise myself, my face, my name  
No more  
I'll never be the same  
Don't recognise my self my face my name  
No more

I'll never be the same  
Don't recognise myself, my face, my name  
No more  
No more
