

# Take It Easy

Gabrielle Aplin

You got my heartbeat  
You've got my lungs  
You got inside of my chest  
I made a mess of it  
Made a mess of my head  
I couldn't fight it  
You made yourself right at home  
Then moved right out again  
Left me alone in my head

It's like you know when to push me to pull me back  
And I got caught up in all of that  
But when you say it like that  
It doesn't sound so bad

If you're gonna go away again  
Go easy on me  
If you're really gonna take it all away  
Take it easy on me  
If you're gonna turn me upside down and inside out  
You're gonna have to pick me up the right way 'round  
So if you're gonna take it all away  
Take it easy on me, yeah

Take it easy, take it easy, hmm-hmm  
Take it easy, take it easy

You make my mind numb  
You're always right  
You make your perfect mistakes  
The ones I never make  
'Cause they blow up in my face  
I'm overthinking  
I've overthought everything  
That could convince me  
And now I'm back in my head

It's like you know when to push me to pull me back  
And I got caught up in all of that  
But when you say it like that  
It doesn't sound so bad

If you're really gonna go away again  
Go easy on me  
If you're really gonna take it all away  
Take it easy on me  
If you're gonna turn me upside down and inside out  
You're gonna have to pick me up the right way 'round  
So if you're gonna take it all away  
Take it easy on me, yeah

Take it easy, take it easy, hmm-hmm  
Take it easy, take it easy

If you're really gonna go, go easy  
If you're really gonna  
If you're really gonna

If you're really gonna go, go easy  
If you're really gonna  
If you're really gonna  
If you're really gonna go, go easy  
If you're really gonna  
If you're really gonna  
If you're really gonna go, go easy
