

# Maybe When Tomorrow Comes

Gabrielle

Waiting for tomorrow  
To get me through today  
Although the sun is shining  
I'm only seeing grey  
I'm trying to fight this feeling  
To chase the blues away  
It doesn't seem to matter  
They catch up anyway

I'm looking to tomorrow  
To help me through this day

Maybe when tomorrow comes  
When I see the morning sun  
Lets me know that I have won  
As the day is overcome

It's hard to keep my focus  
Alone with all my thoughts  
I'm sitting on the sofa  
But I'm bouncing off the walls  
I'm going around in circles  
I've been to hell and back  
I'm moving to tomorrow  
All my bags are packed

I'm looking to tomorrow  
To help me through this day

Maybe when tomorrow comes  
When I see the morning sun  
Lets me know that I have won  
As the day is overcome

It's a suffocating feeling  
When you think you're hands are tied  
You're looking for salvation  
But access is denied  
It's hard to keep believing  
"Everything will be alright"  
When all you've been is reaching  
For the other side

I'm looking to tomorrow  
To help me through this day

Maybe when tomorrow comes  
When I see the morning sun  
Lets me know that I have won  
As the day is overcome, ooh

Maybe when tomorrow comes  
When I see the morning sun  
Lets me know that I have won  
As the day is overcome, ooh

Maybe when tomorrow comes

When I see the morning sun  
(I see the morning sun)  
Lets me know that I have won  
As the day is overcome
