Put Up a Fight

Gabrielle

I need for you to listen
I need for you to pay me some attention
I'm hoping that you'll talk to me
Is there something that you're keeping from me

So if you're in doubt, I think you should tell me now, yeah
Because I don't see why, why we should live a lie, no

Don't you think we're worth the fight
Is it that we're just not right
I deserve the truth, I get nothing back from you
Why don't you put up a fight, put up a fight
Don't you think we're worth the fight
Is it that we're not worthwhile
I deserve the truth, I get nothing back from you
Why don't you put up a fight, put up a fight

Oh, oh
Here we go

You tell me that you love me
But when you're around I feel so lonely
I feel there's something missing
That's why I find it hard to believe

So if you're in doubt, I think you should tell me now, yeah
Because I don't see why, why we should live a lie, no

Don't you think we're worth the fight
Is it that we're just not right
I deserve the truth, I get nothing back from you
Why don't you put up a fight, put up a fight
Don't you think we're worth the fight
Is it that we're not worthwhile
I deserve the truth, I get nothing back from you
Why don't you put up a fight, put up a fight

Wanna be your everything but you don't make me feel so special
Wanna be your everything
Be the love of your life, but you don't make me feel like we're right
We're not right

Don't you think we're worth the fight
Is it that we're just not right
I deserve the truth, I get nothing back from you
Why don't you put up a fight, put up a fight

Don't you think we're worth the fight
Is it that we're just not right
I deserve the truth, I get nothing back from you
Why don't you put up a fight, put up a fight
Don't you think we're worth the fight
Is it that we're just not right
I deserve the truth, I get nothing back from you
Why don't you put up a fight, put up a fight

Put up a fight

Put up a fight, no
